

Maker Faire® Lake County

Call for Makers

Saturday, April 9, 2022

10 a.m. to 2 p.m.

CLC Grayslake Campus, P.E. Building, 19351 W. Washington St., Grayslake, IL

Join the biggest show-and-tell in Lake County! Maker Faire is not a passive, sit-down experience; it's hands-on, educational, and FUN! From simple conversations and detailed explanations to amazing do-it-yourself demonstrations, Maker Faire is all about participation and sharing. Many makers develop exhibits with hands-on activities. Others bring unusual objects that we don't see every day.

Select one of the following tracks when applying:

- Booth or exhibit
- Presentation, workshop or demo
- Performance

YOU are a maker if you craft, build, create, design, tinker and tweak just about anything. Individuals, organizations and companies are welcome.

Check out the activities leading up to the Maker Faire

- Lake County Robotics Competition
- **March 12:** Make-a-thon

Apply to be a maker at www.clcillinois.edu/makerfaire

- Registration for makers and attendees is free
- Deadline to apply is March 18, 2022
- All applicants will be notified of approval

What will you make?
