

Lake County

Maker Faire®

Maker Faire Logo Contest

What image springs to mind when you hear “Lake County?”

Do you think of roller coasters, farm fields, or the College of Lake County?

As Maker Faire Lake County approaches, we are looking for a logo that captures the spirit of our county.

Start with a 3-inch circle and select your favorite red and blue media. It could be crayons, colored pencils, or graphic design software, your choice! Make sure to include the words: “Maker Faire Lake County” somewhere in your design.

Check out a few sample logos from around the world:

To submit your entry:

1. Take a clear picture of your design.
2. Find the link to the entry form at www.clcillinois.edu/makerfaire

All of the submissions will be displayed on the Maker Faire Lake County website.

The general public will vote for the winners with a link at www.clcillinois.edu/makerfaire and the CLC Engineering Facebook page.

Stickers will be created from the top entry in each category. Each Maker kit for the “Be a Maker” tutorial session on April 17 will contain these stickers.

Submission deadline: March 12

Prizes:

- \$20 gift card for 1st place
- \$15 gift card for 2nd place
- \$10 gift card for 3rd place

The top 3 entries in each category will be awarded gift cards purchased from these local companies:

- **Gurnee Donuts** gift cards will be awarded to winners in the Grade 3 - 5 and Grade 6- 8 divisions
- **Something's Brewing** gift cards will be awarded to winners in the Grade 9 -12 and college student divisions
- **Lovin Oven Cakery** gift cards will be awarded to winners in the community member and professional graphic artist divisions
