

Exhibits

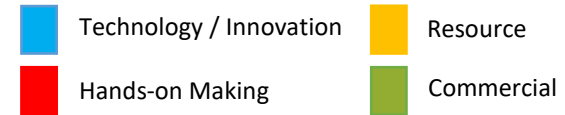

Maker Faire® Lake County

Presented by CLC Engineering and Computer Science Department
Sponsored by Baxter International Foundation and College of Lake County

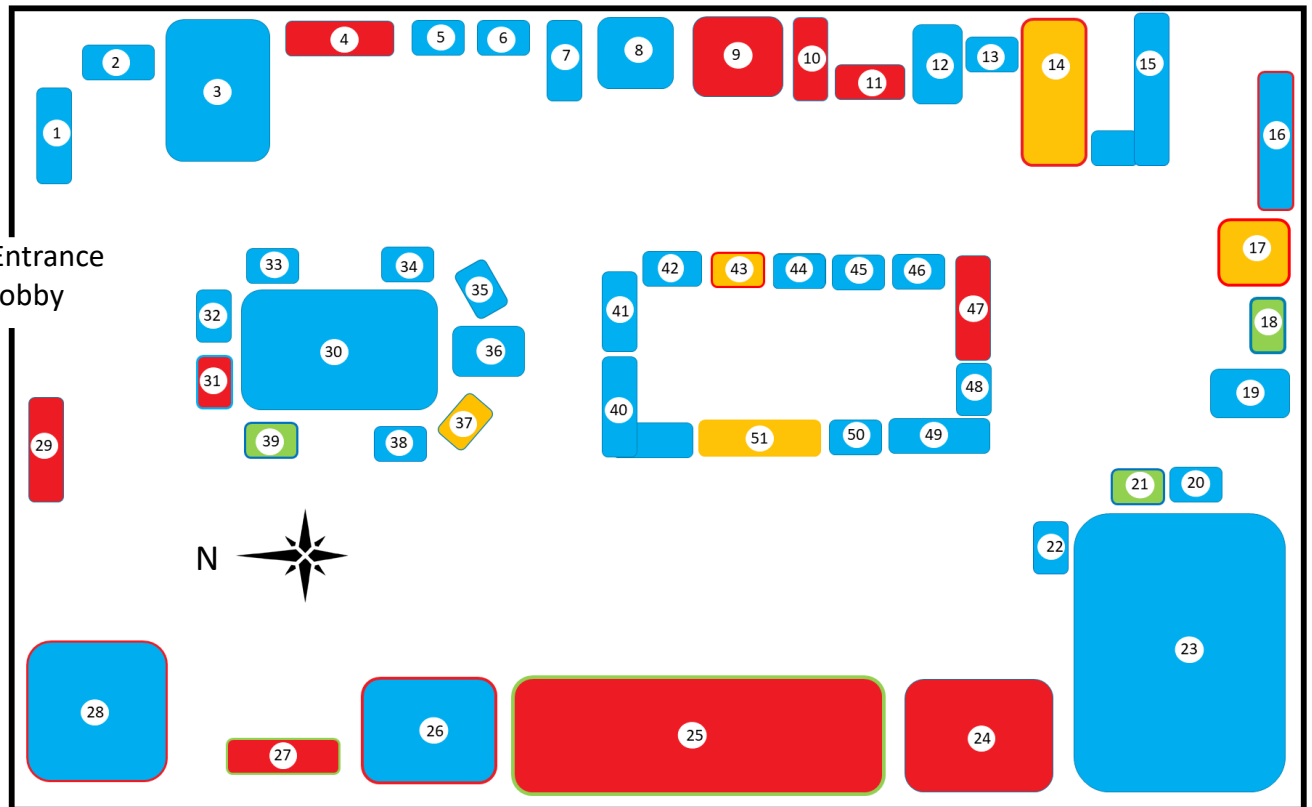

1. Ken's Garage
2. Information / Raffle table
3. Make a Thon golf course
4. Milled Print Block
5. Physics Phun
6. Park Campus STEAM Team
7. Scorch Works, Homemade Toys & Tools
8. Mini PC, 3D printed handhelds and games
9. Drone Obstacle course
10. Paper Rocket build station
11. Popsicle LED Flashlight
12. FIRST Lego League Demo - Team Titans
13. Illinois Odyssey of the Mind
14. The Hub – Makerspace at the Grayslake Area Public Library
15. Radio Wizardry for Curious Minds
16. Lake County Radio Control Club
17. Ela Area Public Library's Forge Makerspace
18. Dynamism - 3D Printers, Scanners, and Materials
19. From LEGO Bricks to Real-World Innovation
20. Creative Corner
21. Josies – Stay Fresh
22. Hatt Bott
23. Lake County Robotics Competition
24. Robot Expo
25. Build-a-Blinkie Learn to Solder Workshop
26. Live Entertainment's Mini Golf
27. How to Make Leather Vambraces with Sam
28. Musical Tesla Coils: MusX
29. String Art: Community Project
30. FTC Field
31. got robot? FTC team 5037
32. Stealth Robotics - Team 18255
33. FTC Robotics - GHOST team
34. Golden Ratio Robotics
35. Team Boltic FTC Robot 2025-26
36. FIRST LEGO Robotics
37. The Workshop at Warren-Newport Public Library

38. Spare Parts Robotics
39. Moss Enterprises
40. Henry Martin's Marvelous Machines
41. 3D printing for Modeling and Cosplay
42. Kermit Dalek
43. Cedar Planters & Tool Usage
44. Home Arcade Machine
45. CBM SX-64 Ultimax
46. Kublank's Carving Characters
47. Make a Paper Circuit
48. Joe K's Workshop

49. Multi Step Contraptions
 50. Chuck's Woodshop
 51. Make All the Things! @ the Round Lake Library
 52. Engineering Club Trebuchet*
 53. Pneumatic Rocket Launcher*
 54. Baxter Innovation lab tour**
- * Located outside near the T – Building
** Located in T120 (Baxter Innovation Lab)

Main Entrance from Lobby

Maker Faire Scheduled Events

Lake County Robotics Competition (23)

10 a.m. - 1 p.m. **LCRC Finals**
1 p.m. Awards in T Building (T114/T115)

FTC Robotics Scrimmages (30)

Every ½ hour starting at 10:15 a.m.

Musical Tesla Coils (28)

Every ½ hour starting at 10:30 a.m.
Stop by at any time to learn more about the science

Engineering Club Trebuchet (52)

Every ½ hour starting at 10:15 a.m.
Launching your paper rockets when trebuchet isn't firing
Located just outside the T Building by the Baxter Innovation Lab

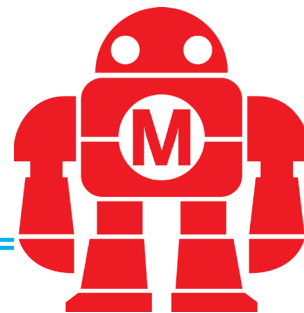

CLC Engineering Transfer program

Baxter Innovation Lab Tour

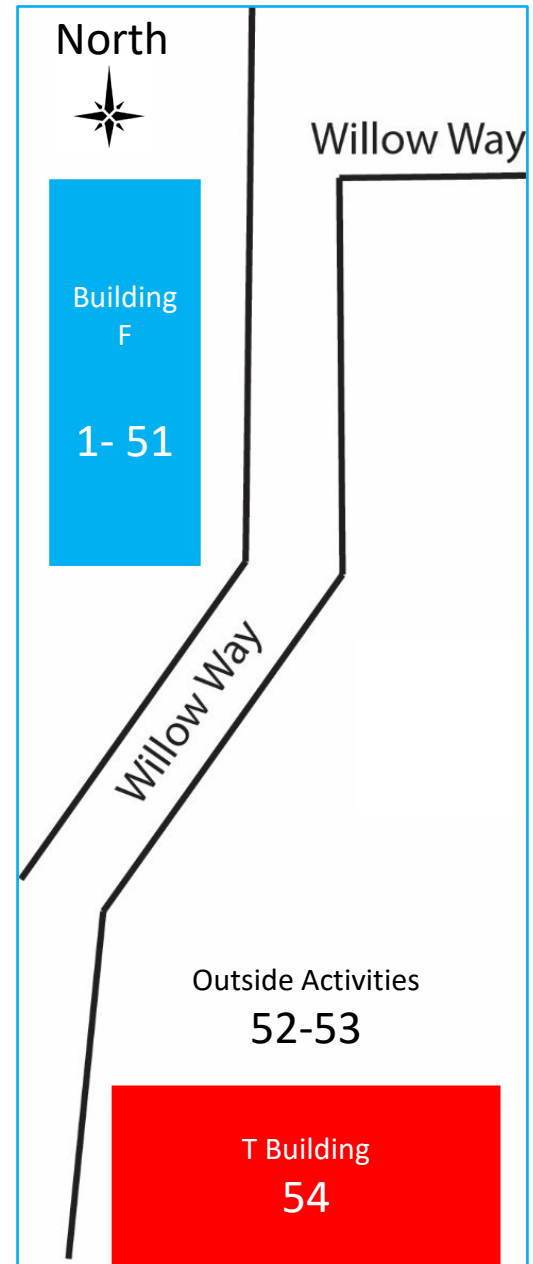

Stop by the lab and chat with our student interns about the technology (3D printers, lasers and CNC) as well as our Engineering program. While you are there, you can laser a custom keychain.

Mark your Calendars for Upcoming Events

- Oct 29, 2026 - Engineering Night
- Feb 28, 2027 – Make a Thon
- Apr 17, 2027 – Maker Faire

Tag your creations on Instagram #MakerFaire and follow us @clcengineering
